

WINE SURVIVOR CHALLENGE

CALLING ALL WINE LOVERS, here is your chance to win lots of wine in support of a great cause. The Wine Survivor Challenge will support programs in our community, as you try to survive elimination for the opportunity to fill your wine rack.

The **Rotary Club of Trenton** is a member club of **Rotary International** and part of **District 7070**, an organization of professional persons, united worldwide, which provides humanitarian service, encourages ethical standards in all vocations and helps build goodwill and peace in the world. This is exemplified in Rotary's official motto: "**Service Above Self**". Our club has a very rich and eventful history, with the original charter dating back to 1922. We are currently meeting virtually on Monday evenings at 6:30 pm (for the exception of holidays). See our calendar of events at <https://www.trentonrotary.ca/events/calendar>.

Our membership is a cross section of experienced business and professional community members, plus an ever-increasing complement of active young men and women to nurture and sustain our club going forward. We believe in strong fellowship, principally through our weekly meetings, where we explore and discuss a broad range of interesting topics, as well as through committee participation that helps to foster deeper friendships, mutual respect and understanding.

We provide ample opportunities for participation and fulfillment by engaging in a variety of events and fund-raising activities. We work very closely within our **community**, contributing our efforts and experience and the funds that we raise towards Rotary's 7 Areas of Focus. We are also active in our District, and support selected projects in Canada and internationally.
